

A pixelated, black and white version of the Volkswagen logo. The logo consists of a solid black circle with the letters 'V' and 'W' in white, stacked vertically. The 'V' is positioned above the 'W'. The entire image has a low-resolution, pixelated appearance, with the edges of the letters and the circle showing a jagged, blocky quality. The background is black, and the letters are white, creating a high-contrast, digital-style graphic.
